GUARDIANS WHO WISH TO APPLY
FOR SCHOOL BUS SERVICE IN THE ACADEMIC YEAR 2020-21

A separate notice has been issued for parents whose wards were availing school bus service in the previous academic year 2019-20.

At the time of beginning of every session the School takes application for the enrolment of bus services from the parents who are interested in availing the bus services for their wards. However, this year due to outbreak of COVID-19 pandemic and lockdown declared by the government, the School stopped functioning from mid-March and therefore guardians could not submit their application indicating their willingness to avail the transport services in the session 2020-2021.

As the country moves towards a phased reopening of economic activities after a lockdown of nearly 2½ months, we also want to ensure clarity in respect of the school bus operations. It seems likely that going forward, the carrying capacity of the buses might have to be substantially reduced. There might be various other statutory stipulations too. We also understand that school bus facility provides a sense of safety and comfort, especially in these times when public transport may not suit many parents. The School is now inviting application from interested guardians whose wards are in Classes Nursery I to V, and who were not availing bus facility in the earlier academic year 2019-20 and want their wards to avail bus services in the year 2020-21.

In view of the extraordinary situation prevalent, it has been decided that bus fee for the months of April and May 2020 shall be waived off and not collected. The school shall collect bus fee from the month of June 2020 and such collection will be done as per the usual bi-monthly collection cycle. While initially the fee will be collected at full rate, we will provide a 50% waiver for the period the school continues to remain shut due to government imposed lockdown post June 1, 2020 and such excess fee collected will be adjusted in the next collection cycle. The fee structure for the year 2020-21 including bus fee has been communicated to all parents by a separate notice.

The bus services will commence once School reopens which will be intimated to parents in due course. Guardians whose wards were not availing the bus service in the previous year and who would now like to avail the same may immediately apply by clicking on the following link https://forms.gle/rV7dzJTYBseqrUiP7. There being limited number of seats available in each route, the services will strictly be allocated on first come first serve basis. Please also note that the allotment of seat is subject to the availability and mere applying will not guarantee the allotment of seat. The School office will get in touch with you over phone or email to confirm availability.

Stay safe, stay healthy.

Thank you

Director
