Skylark Workbook : Pages 11, 12, 14 (Ex B), 22 (Ex A) and 23 (Ex B and C)

Handwriting: Pages 6 – 10 of 'My Writing Book'.

Composition:

1. A glass of LASSI is not only refreshing in this scorching summer heat, it is a healthy drink as well. Treat yourself and the members of your family to a glass of lassi each on a hot summer afternoon. Then write down the procedure of preparing lassi in steps. You may use the following format to do so:

Aim: _____

Things needed: _____

Method: _____

i. _____

ii. _____

Carry on in this manner. **(to be done in the Fun and Activity Book)**

2. How about spending these holidays a bit differently? How about utilizing these holidays doing something interesting for others — your parents, your grandparents, the children of people who work at your home, the street dogs or others? Write a paragraph describing how you shared your time, love and things with others. The paragraph should be within 100 words. Give a suitable title to the passage. Also stick or draw a picture of yourself engaged in these activities. **(to be done in the Fun and Activity Book)**
3. Children, you all know that it is not wise to waste paper. Rather we must recycle paper. So, here is something that you can do easily. All of you have some old exercise books which you have not fully used. Tear up the remaining unused pages from those books and make your own new exercise book with them. Cover it attractively and name it 'My Own Dictionary'. On each page of your dictionary write two new words, starting with a letter of the alphabet, and their meaning. So, by the end of the

vacation you will have 52 words in your dictionary and your vocabulary will be richer by so many words. So, go for it!

4. South Point has become an OHSAS certified school. This is a matter of pride for all of us! We are all responsible for upholding this reputation of the school. Let's take a pledge to keep ourselves and all the others associated with our school SAFE. Think about ways in which you can make the school an even safer place. Make a list of these on two sheets of paper neatly. Keep one sheet on your study table at home and attach the other sheet to your Value Education book so that you can constantly remind yourself about your role in this safety drive. Make a colourful poster with pictures and any one of the following slogans. Bring your poster to school after the summer vacation.

- SAFETY RULES ARE THE BEST TOOLS WE CAN CARRY WITH US
- MAKE SAFETY YOUR FIRST PRIORITY
- LET'S MAKE THE WORLD A SAFER AND HAPPIER PLACE
