

SOUTH POINT SCHOOL NOTICE

Classes I to III

The Scouts and Guides is the largest world-wide, non-political youth organization to which Bharat Scouts and Guides belongs. It was founded by Lord Baden Powell in 1907 for boys and later adapted to include girls in the year 1910. It has the fundamental principles to train the youth of today to become smart, disciplined, self reliant and above all, responsible good citizens. Students are encouraged to take part in community activities, to perform their duty to God and work towards national integration. The highest award for a Cub is the Golden Arrow, and for a Bulbul is the Hirak Pankh.

Students of Classes I to III may register for the Bulbul Flock (for girls) or the Cub Pack (for boys) of the School, classes for which are held on Saturdays from 9.15 am to 10.15 am. Guardians of students willing to join must contact Ms Monika Ghosh (for Bulbul classes) and Mr Souvik Ghosh (for Cub classes) on April 26, 29 or 30, 2019 between 11.45 am and 12.15 pm. Classes for the same will begin from May 4, 2019.
