ECONOMICS

Economics Project Topics were announced and explained-

For Odd Roll Numbers: "Effect on PPC due to various government policies"

The outline of the Project has been explained and <u>five</u> suggestive policies are given namely-

a. MGNREGA

b. Skill India

c. Digital India

d. Swachh Bharat Mission

e. Sarva Shiksha Abhiyan

For H.H.W. students will collect information in the form of Newspaper reports, reports from journals, magazines, internet, collect pictures related to them and submit a brief report in a lace file after the vacation.

For Even Roll Numbers: "Opportunity cost as an Economic Tool" (Taking real life situations)

For H.H.W, the students will study the concept of opportunity cost in detail. They will then consider <u>five</u> real life situations, both at the Micro and Macro levels and explain the opportunity cost involved in these situations; with an insight into the ideas of scarcity and choice. They will submit their study, along with relevant pictures, in a lace file. This will be the research work as a part of their project.
