Study materials and assignment for Class VI (2020 – 21)

Dear Students,

April 9, 2020

Let me welcome you warmly to the e-portal of South Point High School. You may not be actually walking into our premises situated at 82/7A, Ballygunge Place, but we are already here for you. You have a new set of lessons and a new set of teachers. You are at home, may be a little worried, and with a lot of time on your hands. So, let us make some good use of a part of your stay at home. We are uploading lessons which you can download and go through. There are also practice sheets which you can work on. Go step by step, perhaps attempting the subject you find the most difficult, first. That will make the rest of the work easier for you.

We will meet soon, but until then make sure that besides going over your lessons you help your Parents with the household chores. Are you? Over the past few weeks you have been eating home cooked food only and that will make you healthy. Hop, jump and skip, read a few good books and make good use of your time.

Principal
