Study materials and assignment for Class X (2020 – 21)

Dear Students,

April 11, 2020

We are happy to note that many of you have taken up the lessons and assignments very seriously. Remember that it is your responsibility to concentrate on the given lessons and tasks. Just as it is each individual's responsibility to keep oneself and others safe.

It seems some have not been following instructions or are at times being tempted to send in assignments copied from others. Who loses out under such circumstances? You know the answer to that for certain.

Though we are passing through unusual circumstances, we urge you to practise self-discipline and work towards your own self development. Please mail back the assignments set by the teachers, preferably in word document, to the email ids listed against your section.

Principal
