**Study materials and assignment for Class XI (2020 – 21)**

Dear Students,

08.04.2020

We know you are at home and are safe. It is important that you follow all directives of the government closely such that we can collectively get back to normalcy as soon as possible.

While you are at home you must be following a routine. These times are teaching us important lessons. We are learning to value all that we took for granted. They say time and tide wait for none. So, we have thought of reconnecting to you even if it is only virtually.

We have designed lessons for you to experience. Go through the lessons carefully, following instructions and complete assignments as directed. When you mail back the assignments please mention your name, ID, class, section etc in the body of the mail. Also, please mention your Class and subject in the subject line of your mail. We expect all assignments, in Microsoft word, to reach us by 15.04.2020 or earlier.

This is a new way to learn for you and for us to facilitate your learning.

Principal
