Circular No.01/P&G/2020-21

April 3, 2020

We, once again, request you to log into the Parents' Portal on the school website and check whether your prime email ID and prime mobile number are properly updated.

Only in case the email ID / mobile number is incorrect or you want to change any of them, please click the link <https://forms.gle/jyWVLJHpw6vGcugL7> and update the same latest by Sunday, April 5, 2020 within 5 pm. Kindly note that you will not see the change, on the school website, immediately after submitting the form.

This is being done to enable the School to communicate with you about your ward and also to have an alternative method of imparting lessons to your ward, especially during this period of staying at home, and even in the future.
