

SOUTH POINT SCHOOL

An OHSAS 18001 : 2007 Certified Institution

NOTICE

Dear Parents / Guardians

The School had launched its mobile app / revamped parent portal recently through the Skolaro platform and had shared how to download the app as well as login into the same with all of you. Going forward, this will be used very extensively in not only posting assignments and other information, but also in sharing links and routines for the virtual classes which will be launched by next week.

While a large majority of guardians have no problem in accessing the app/portal, we understand that there may still be some of you who have not been able to login to the app/portal using the credentials shared with you, or maybe have not got the credentials. Such parents who have any issue with the Skolaro app/portal are requested to use the link below and fill up the form so that their individual issues are taken care of by the Skolaro team. The form will be available till 20 April 2020. While the Skolaro team will take all steps to resolve issues at the earliest, you need to give them at least 48 hours for proper resolution.

The form is available at this link <https://forms.gle/QxP3vhMQSqJhxnR6>

Thank you.

Principal
