

SOUTH POINT SCHOOL

NOTICE : Class V

Dear Parents,

The health and safety of our pupils has always been of prime concern to us. As you are aware, mental and emotional health is being given as much importance as physical health in order to cope with the present stressful circumstances. Keeping this in mind, we have organized '**Together We Can**' - group counselling sessions to be conducted section-wise for your wards by our School Counsellor, Mrs. Anju Chirimar wherein she will offer guidelines and discuss various vital issues pertaining to physical, mental, emotional and spiritual health.

We are sure that these sessions will prove extremely beneficial to your children. Kindly note the following schedule for your ward's group counselling session:
