Dear Parents / Guardian,

Sub: **Provisional selection of Board**

As you are aware, South Point High School is affiliated to the Central Board of Secondary Education and the West Bengal Board of Secondary Education. Your child when promoted to Class VI in the session, 2015-2016, will have the option to continue his/her studies under either of the two boards.

In order to prepare your child accordingly, we have appended below a form for indicating the choice of Board for your ward. Your response will help us to groom your child appropriately. While indicating your preference, it must be kept in mind that from Class VI onwards the session for the students will be as follows:

- **West Bengal Board of Secondary Education** – January to December
- **Central Board of Secondary Education** – April to March

For those opting for West Bengal Board of Secondary Education, the academic session in Class V will be from April, 2014 to December, 2014. However, please note that if the number of children opting for any one of the boards is below a certain number, the school reserves the right of final selection.

You are requested to fill in the form and send it to the Class Teacher through your ward by July 24, 2013.

Thank you,

Yours faithfully,

(D K Chadda)

**Principal**

---

**SOUTH POINT SCHOOL**

**Form for provisionally indicating choice of Board**

I would like my ward __________________________ of Class IV Section _______ (Morn / Aft) I.D. No. _____________ to study under the following Board in Class VI of South Point High School in the academic session 2015-16:

i. West Bengal Board of Secondary Education [ ]

ii. Central Board of Secondary Education [ ]

(Please tick any one option)

The School reserves the right of final selection of the Board for my ward. I understand that the session (Morning/Afternoon) and/or section of my ward may be changed in Class V itself and that there may be a difference in fee structure for students under the two Boards. I assure the school authorities that I will abide by their decision.
