3. The online registration form must be filled in as per instructions given on the website. Parents are to note all instructions carefully.

7. The School will shortlist candidates as per its own criteria and parents of such short-listed children will be required to come to the school along with their wards for an interaction with the Principal. The date and time of interaction will be informed to the parents through the email ID provided by them, at the time of registration as well as through SMS on their mobile numbers. The list of such shortlisted candidates will also be published on the school notice board and the website on August, 12, 2013 (for Nursery I) and September 12, 2013 (for Nursery II). Interaction with the guardians of Nursery I and Nursery II will tentatively be held in the months of August and September/November, 2013 respectively.

8. The admission process has been carefully designed to provide equal opportunity to all applicants. Every year, we have more applicants than the number of seats available. Therefore, if a candidate is unable to secure a seat, it is in no way a reflection of his/her calibre.

9. Parents must also understand that registration / short listing does not guarantee admission to their wards. They may check the application status from time to time on the school website.

10. In case of any problem in the process of filling up the registration form, please send an email to spsadmissions@southpoint.org.in, giving full particulars and nature of the problem. Please do not call the school office. All emails will be replied to within two working days.

11. If any information is found to be incorrect or false, or in case proper documentation is not provided, the application is liable to be cancelled.
