

SOUTH POINT SCHOOL

An OHSAS 18001 : 2007 Certified Institution

Dear Parents/Guardians,

As we stand on the threshold of yet another academic session, we look forward to a very productive year ahead. It will be our earnest endeavour to enrich the teaching-learning process by making it more interesting, interactive and child-centric.

To this end, we would like to remind you that the Code of Conduct applicable to teachers issued by the State Government as well as the Right to Education Act 2009 bar any sort of private tuitions by teachers. Conforming to the directives of the government and in continuation of our internal policies, we assure you that private tuition by the teachers of South Point School or South Point High School is not allowed, particularly to students of our School. We hope to achieve the optimum academic standard required for all our pupils during the school hours. You will agree that private tuitions is a highly unethical practice which has a far reaching impact on your child's value system as well.

Kindly fill in the enclosed Declaration Form stating that your ward does not take any tuition from any member of our teaching staff, and submit it to the Class Teacher by April 16, 2018. Henceforth we will make this an annual exercise.

Thank you for your continuous support and cooperation in our quest to make a better future for all our children.

Thanking you,

Yours faithfully,

(D. K. Chadda)
