Circular to the Guardians of the pupils of Classes VI, VII & VIII

Circular No.15/P&G/2019-20

March 25, 2020

We are aware that a group of parents are yet to receive the Progress Report of their ward. This could be due to technical issues at our end, or because of a large number of email IDs being invalid. We are unable to process requests to update email IDs any more now as we cannot access our premises at this point.

The results have been made available in the Parent's portal on the school website. For the first time users the user ID will be your ward's ID number and the password will be your ward's date of birth in *ddmmyyyy* format.

The detailed Report Card of individual pupils will be handed over once the School reopens.

We pray for the safety of one and all and look forward to happier times ahead.
