## **NOTICE**

Dear Parents/ Guardian,

Our online classes have been going on unabated since connectivity problems were resolved after the cyclone, Amphan. We are deeply thankful to you for extending your fullest cooperation in these trying times and ensuring that the teaching-learning process continues in a fruitful manner.

The mental and physical health of all our stakeholders, including our pupils and their teachers, is always our concern and we realize that they deserve a much-needed break from their untiring efforts. Therefore, we have decided to have a short recess from July 20 to July 25, 2020 so that teachers and pupils alike get a break from screen time and can resume their virtual classes after the recess in a refreshed state of mind. We will also not be giving any assignments for this period. Online classes will resume from July 27, 2020 and all details pertaining to the same will be uploaded on our app by July 25, 2020.

These are tough times for all of us and more so for the young ones. Please encourage your wards to use this break to read story books and pursue their hobbies and we hope you will be able to spend quality time with your children and strengthen your bond.

Thank you.
