

# **SOUTH POINT SCHOOL**

**An OHSAS 18001 : 2007 Certified Institution**

## **NOTICE**

### **CLASSES NURSERY TO V**

Dear Parents,

The present pandemic situation has compelled us all to adapt ourselves to the new norm and a new mode of the teaching learning process through virtual classes. It is indeed the painstaking efforts of all the stakeholders of the institution alike that the teacher pupil connect remains strong in our School even in these difficult times.

The lockdown has resulted in added responsibilities for all of us, and especially for you, dear parents, who now are not only having to play the role of mentors for your wards at home but are also having to closely monitor and guide your children in their online classes and assignments.

To help you deal with this added responsibility and enable you to infuse positivity in your children, we would like to invite parents of pupils in all classes at South Point School to attend a virtual workshop titled Good Parenting: Staying Positive and Involved which will be conducted by the School Counsellor, Mrs. Anju Chirimar. The discussion will be followed by an interactive question-answer session. The schedule for the webinars is as follows and the timing will be from 4 pm to 5 pm:

Classes IV & V	-	Monday, July 27, 2020
Classes II & III	-	Wednesday, July 29, 2020
Classes Transition and Class I	-	Friday, July 31, 20
Classes Nursery I and Nursery II	-	Wednesday, August 5, 20

Since the webinar can accommodate only a certain number of people, you are requested to kindly register yourselves at the earliest for the dates applicable to your child's class through the registration link sent to you through the school app
