NOTICE

Sub: Bus Fees for August-September 2020

Dear Guardians,

This is further to the notice dated 01.06.2020 issued by the School in relation to bus services provided by the School. The School through the said notice had waived the bus fee for the months of April & May 2020 and further intimated that from June 2020 onwards, a waiver of 50% will be provided on the bus fee till the School reopens.

You are aware that the bus fee was collected at full rate for the block of June & July 2020 and accordingly in terms of the above notice and assuming that the School will not be able to resume normal operations till September 2020, it has been decided not to charge any bus fee for the months of August & September 2020 to adjust the balance amount of 50% paid in excess along with the fees for June & July 2020. In case the School is in the position to resume physical classes anytime within this period, the proportionate amount of bus fee will be collected along with the fees for the block of October & November 2020.

Please take care of yourselves and your family members and stay safe.

Thank you.
