NOTICE

Sub: Fees for August-September 2020

Dear Guardians,

We write to you with regard to the school fees for the block of August & September 2020. We are thankful to those guardians who have cleared all fees till date which has helped us to continue our operations with a high degree of motivation, a quality much needed in these times of the pandemic. For a few guardians who have not been able to yet clear the dues fully or partly since April 2020 due to financial constraints, we have been considering their case with utmost care and empathy and allowing them additional time to do so. Just like you, we have the interest of our young pupils at the core of our hearts and shall make all efforts to protect the same.

You are aware that we have not increased fee during the current session and have also done away with collecting charges on certain heads. It is our constant endeavour to explore the possibilities to extend further financial relief to our guardians in view of the current economic uncertainty and as a part of that effort, we would like to inform you that the Mindspark Fee payable by Classes II to IV from the month of August 2020 onwards will be charged @ Rs. 200/- pm instead of Rs. 375/- pm, till the School is able to resume normal operations. However, this will not impact the availability of the online Mindspark adaptive-learning platform and our teachers will continue to engage the students on the same as before.

The fee collection for the months of August & September 2020 will be done on August 17, 2020 through NACH/ ECS and guardians are requested to keep their account sufficiently funded.

Please take care of yourselves and your family members and stay safe.

Thank you.

Director
