NOTICE

TRANSITION

Dear Guardians,

We thank you for your cooperation in enabling us to conduct the virtual classes seamlessly.

On the basis of requests received from some of you regarding more teacher-student interaction, we are increasing the online classes by one more day on a trial basis. This additional class will be held on Thursdays and the duration and timings will remain the same. This will be effective from the week beginning November 2, 2020.

19.10.2020

Principal
