October 13, 2020

Dear Parents / Guardian,

Hope you and members of your family are keeping well. The current pandemic has altered the way we take the teaching-learning process forward. It can be said with utmost surety that all stakeholders have adjusted well and put in their best to ensure that the Virtual school runs smoothly and learning is not disrupted.

In order to allow pupils to assess themselves and parents/guardian to assess their wards and of course for teachers to understand the learning outcome the pupils had been evaluated by using various tools. We are now ready to share our understanding of your ward's overall performance.

Soon you will be able to view the quizzes and receive the corrected Parent Proctored scripts through the Assignment Channel of Skolaro. It gives us satisfaction to state that most of our pupils did not betray our trust and lived up to the Code of Honour they had sworn to uphold.

A Grade sheet based on your ward's performance in Assignments 10 and 11, the Oral examination, Quiz 1 and 2 as well as the Project will be available in the Report Card section shortly. This will help you to understand your ward's strengths as well as areas that need attention. Do note that the date and time of return of scripts may vary but will reach all by 17th October, 2020.

Please do not be disappointed if the grades are not as per expectation. There is time, scope and opportunity for improvement. Moreover, this will not affect promotion to the next class or admission to Class XI.

A virtual Parent Teacher Meeting will be held on 19th October 2020, the details of which will be shared with you soon through Skolaro.

We would like to take this opportunity to thank you for your constant support and encouragement. It means a lot to us.

Thank you

Principal
