Notice for parents of pupils of Class X

Circular No. 29/P&G/2020-21

November 10, 2020

Dear Parents/ Guardian,

We would like to inform you about the criteria that will be followed to select pupils for admission to Class XI, Academic Session 2021-2022. Please note that due to limited number of seats, all pupils cannot be admitted to Class XI, especially to the streams of their choice.

As notified earlier, Term1 Assessment Grades or the performance in the Pen and Paper Parent Proctored Tests will not be given any weight while compiling the Merit List for admission to Class XI. However, the pupil's attendance record along with his/her disciplinary record in Classes IX and X (as applicable) will be considered for granting admission.

Pupils who opt to study under any stream (Science, Commerce or Humanities) will be considered for provisional admission on the basis of their performance in all relevant Internal Assessments of Class IX (2019-2020) including the Annual Examination of Class IX (2019-2020) and the attendance in Class IX (2019-20). A Merit list based on the aforesaid criteria will be published on Friday, December 4, 2020 at 3 PM. The Merit List will be uploaded on the school website in the "Admission" section. Pupils / parents are not required to come to school physically to check the Merit List.

Pupils who cannot be offered admission to the Science Stream on the basis of the first Merit List will be required to appear for an Admission Test (Physics, Chemistry and Mathematics) on Saturday, January 9, 2021. The new Merit List will continue to have its stake of all Internal Assessments of Class IX (2019-20) including the Annual Examination of Class IX (2019-20) and the attendance in Class IX (2019-20). The timing and mode (Online / Pen-paper) pertaining to the Admission Test will be notified in due course.

All pupils aspiring to study under the Commerce / Humanities Streams, who could not make it to the first list, will have to take an Admission cum Eligibility Test (English and Mathematics) on Saturday, January 9, 2021. The new Merit List will continue to have its stake of all Internal Assessments of Class IX (2019-20) including the Annual Examination of Class IX (2019-20) and the attendance in Class IX (2019-20). The timing and mode (Online / Pen-paper) pertaining to the Admission cum Eligibility Test will be notified in due course.

The details of the subjects offered, with the subject codes, and the different combinations allowed in Class XI, in Morning and Afternoon sessions, are available on the school website in the "Admission" section. It may please be noted that a subject included in the list may not be offered, if a minimum number of pupils do not opt to study the subject in Class XI.

Kindly note that admission granted will be provisional, as pupils selected for admission are compulsorily required to obtain at least 60% in the aggregate in AISSE 2021. We request all parents to take note of the above information and exercise their option for Stream Selection by filling in the form online, the link of which is given below:

<https://forms.gle/8eHm23ZGfdgwp3D36>

Submission of online forms will be permitted till 5:00 pm of Tuesday, November 17, 2020.

The completion of the provisional admission process is expected to take place by December 2020 / January 2021. Provisionally admitted pupils will be notified in due course of time about the commencement of Class XI.

Thank you.

Yours faithfully,

Principal
