NOTICE

Classes Nursery to V

Like every year, the month of November heralds an important event in the South Point School calendar – ‘Ullas’ – the inter-school fest hosted by our School. This year of course, owing to the unprecedented circumstances, Ullas is being celebrated virtually. Some of the events have already been held and judged.

On 28th November, 2020 the inauguration of the second round of festivities of Ullas will go live on the School Facebook Page at 10.00 am followed by ‘Kwizwiz’. Later in the day, at 4.00 pm, a recording of ‘Geetmala’ (Antakshari) can also be viewed on the Facebook Page. Please avail of this opportunity of watching these exciting events. Your virtual presence will encourage the participants.
