Dear Guardians,

Your wards will be studying Bengali/Hindi as their Vernacular in Transition, which you had opted for at the time of admission. Kindly check this on the Student Management feature of the Skolaro App which is available on the web version only. In case you wish to make any change in your choice of Vernacular, please mail your request to the Principal at [vernacular.n2@southpoint.edu.in](mailto:vernacular.n2@southpoint.edu.in) by Monday 11.01.2021, stating your ward's full name, ID number, section and session.

Thank you
