## SCHEDULE FOR QUIZ SET-4 CLASS X ( January, 2021)

- ❖ Quiz 4 refers to the fourth set of Quizzes for each subject that will be conducted using the SKOLARO platform.
- ❖ Quizzes for all subjects will be published at 6:00 p.m. in the evening, with a deadline of completion till midnight. It may be noted that more than one quiz may be held on a day and the marks and duration of the quizzes may vary as per subject requirement.
- ❖ All the quizzes will be timed quizzes which once started cannot be paused, and after the given time the quiz will get auto-submitted.
- ❖ Pupils are advised to go through the Quiz instructions properly which will indicate the time limit to answer the quiz. Once a pupil has that much time in hand, then only he / she should start answering the quiz but it has to be between 6:00 p.m. and 12:00 midnight of that particular day.
- ❖ Quizzes for the three components of **Science viz. Physics, Chemistry and Biology**, will have to be attempted separately but on the same day. Similarly, quizzes for the three components of **Social Science viz. History / Political Science, Geography and Economics**, will have to be attempted separately but on the same day.
- ❖ Guardians and pupils are requested to go through the given schedule carefully: -
