

SOUTH POINT SCHOOL

An ISO 45001:2018 Certified Institution

NOTICE

Guardians of Nursery to Class V

Dear Parents,

We firmly believe that good communication between the School and guardians is essential for the best possible educational experience. Moreover, the safety and security of all our pupils is of utmost concern to us. To enable smooth communication with you dear parents, especially in times of emergency, it is imperative that you update your contact numbers and Email address in the school records if they have undergone any change.

We are providing you with an opportunity to do so for a week, between February 15 and February 22, 2021 through our School app, Skolaro. This window will be open for you to make changes in your mobile number and email address during the above-mentioned period. For any other changes, you need to contact the School.

We hope you will use this opportunity to strengthen our bond.

Thank you.

Principal
