For Parents / Guardian of the pupils of Classes VII & VIII
For pupils of Classes VII and VIII of 2021-22

You are aware that the threat of COVID-19 pandemic still persists and the government is yet to allow resumption of normal functioning of the School for all classes. Accordingly, online classes will continue in the session 2021-2022 also till such time the government allows schools to resume physical classes. In order to keep pace with classes in the new session, the pupils would be requiring text and exercise books for their new classes.

Keeping in mind the safety of all concerned the School, like last year, has decided to arrange for delivery of books etc. at the address given by the guardians. Guardians are required to place an order for the same and make payment online. A feature is available on the School's web portal "**www.skolaro.com**", where you can login either from a PC or from your mobile phone browser using your credentials (this feature cannot be accessed on the App) and place order for packs of books, exercise books etc. The School has made arrangements with courier companies who will deliver the materials and packing, handling and delivery charges (Rs.150 per consignment) will be collected from guardians online along with the amount for books etc.

The steps for placing order and making payment are as follows:

- (a) Login to the webportal "**www.skolaro.com**" using your credentials;
- (b) Click on 'Fee Management' tab;
- (c) Click on 'Select Miscellaneous Category' tab;
- (d) The Text Books Set of the appropriate class in which your ward is studying in will be displayed. Please select the Vernacular i.e., Bengali or Hindi;
- (e) Click on 'Save' button; and you will be redirected to Fee Payment page;
- (f) Click on 'Pay Miscellaneous Fee' button and a window will pop up where the details of the guardians will be displayed and they will mandatorily be required to enter the delivery address and mobile number in the space provided where the materials are to be sent;
- (g) Then you will be directed to the payment gateway where the amount can be paid online through the available modes;
- (h) A receipt will be generated which you may save for future reference.

Please note that the total amount charged will include the amount towards text books set, packing, handling & delivery charges and convenience charges, as applicable for online payment. Once the payment is made and the order is received, the same will be processed and the complete book set, which includes text books, exercise books, few items of stationery and laminated brown paper covers for text books shall be despatched by courier to the address mentioned by you while placing the order.

contd...2.

The facility to place order for delivery of books etc. will be available on the Skolaro platform on **27.03.2021 & 28.03.2021**. Please note that the distribution of the book sets will be done through home delivery mode only and no delivery will be made from the School except in exceptional circumstances for which a request mail can be sent to the School at spes@southpoint.org.in. The final decision will then be taken by the School Authorities in this matter on case to case basis.

Please note that the delivery will be done class-wise and every effort will be taken to deliver the materials within 10 working days after the last date of receiving the order i.e., **28.03.2021**, however, delivery time may get extended in a few cases and you are requested to bear with us. In any case the delivery will be completed before the commencement of respective classes. If you do not receive the materials by **08.04.2021**, you may write back to us. Also please note that this facility is available for delivery of materials within the state of West Bengal only. While receiving the books etc. from the courier delivery person, please write the Student ID no. in the acknowledgement so that we can be sure that the books have been delivered to the right person.

In case you require any clarification, please send us a mail at spes@southpoint.org.in

Stay safe, stay healthy.

Thank you.
