Dear Parents / Guardian,

In view of the continuous surge in the number of Corona afflicted families, and in order to provide some respite to our children, guardians and teachers from the raging pandemic, we have decided to bring forward the summer break. This break will now be from **Monday, May 10, 2021 to Saturday, May 22, 2021**. Our online classes will resume from **Monday, May 24, 2021**.

We earnestly hope that the situation will improve soon. Meanwhile, please take care and stay safe. Let us unitedly combat this pandemic with a positive frame of mind and pray for the world to heal soon.

Thank you.
