## **NOTICE : Nursery to Class V**

Dear Parents,

Our virtual classes have been running smoothly since the commencement of the academic session, 2021-2022 and it is heartening to see that your wards have settled down so well in this new mode of learning in the new norm. Your children have been submitting worksheets and assessments online and our teachers have been correcting them as well as giving you regular feedback on the same.

As you are aware, the teacher-parent connect is as important as the teacher-student connect for a wholesome academic experience. Therefore, our teachers would like to interact with you, dear parents, to inform you about your ward's progress through a virtual Parent Teacher Meeting which will be held in a phased manner over two weeks starting from June 19, 2021. All parents are kindly requested to attend this PTM since it will provide you with an opportunity to meet the teachers teaching your ward and address your queries, if any.

For this interaction, you may use your child's Zoom log-in credentials provided by the School to enable him/her to attend the online classes.

Kindly note that you will be informed of the PTM details by the Class teacher through the Direct Messaging feature in Skolaro.

We hope this parent-teacher interaction will prove to be a fruitful experience.

Looking forward to your kind cooperation,

Thank you

**Principal**
