## **NOTICE**

Dear Parents,

Our virtual classes have been going on unabated since the summer break and we have successfully completed six weeks of online teaching since then.

The mental and physical health of all our stakeholders, including our pupils and their teachers, is always our primary concern and we realize that they deserve a much-needed break from their untiring efforts. Therefore, we have decided to have a short recess from July 5 to July 10, 2021 so that teachers and pupils alike get a break from screen time and can resume their virtual classes after the recess in a refreshed state of mind. Online classes will resume from July 12, 2021.

These are tough times for all of us and more so for the young ones. Please encourage your wards to use this break to read story books and pursue their hobbies. We hope you will be able to spend quality time with your children and strengthen your bond.

Thank you

**Principal**
