## **NOTICE**

### **CLASSES NURSERY TO V**

Dear Parents,

The ongoing pandemic situation has taught us all to conform to the new mode of the teaching learning process through virtual classes. It is indeed the concerted efforts of all the stakeholders of the institution alike, that the pupil-teacher-parent connect remains strong in our School even in these trying times.

The lockdown has resulted in added responsibilities for all of us, and especially for you, dear parents, who are now having to play the role of both mentors at home as well as teacher-substitutes for your wards.

To help you cope with this added responsibility and enable you to infuse positivity in your children, we would like you to attend a virtual workshop titled 'Staying Positive: A Guide for Parents' which will be conducted by the School Counsellor, Mrs. Anju Chirimar. The discussion will be followed by an interactive question-answer session. The timing for the webinars will be from 4.00 pm to 5.00 pm and the schedule for the same is as follows:

Classes Nursery I and Nursery II	-	Monday, July 12, 2021
Classes Transition and Class I	-	Wednesday, July 14, 2021
Classes II & III	-	Friday, July 16, 2021
Classes IV & V	-	Monday, July 19, 2021

Since the webinar can accommodate only a certain number of people, you are requested to kindly register yourselves at the earliest for the dates applicable to your child's class through the registration link sent to you through the school app

Thank you.
