Circular No.28/P&G/2021-22

July 03, 2021

Dear Parents / Guardian,

Term-1 Assessment (2021-22) **For Classes VI to VIII**

Classes VI to VIII will be evaluated online for Term-1 in the 2021-22 session. The following are the 05 components that will be taken into account for this purpose:

1. Quizzes
2. Assignments
3. Projects
4. Oral Tests
5. Proctored Tests

Quizzes, Assignments and Projects will contribute to the continuous assessment and are categorized as Internal Assessment. Oral Tests and Parent Proctored Tests will be scheduled under the Half Yearly Examination and will commence in the second fortnight of August, 2021. Internal Assessment will be given 40% weightage and Half Yearly Examination will be given 60% weightage while compiling the Term-1 Report Card.

INTERNAL ASSESSMENT – 40% weightage

QUIZZES

Quizzes comprising multiple choice type questions are being held regularly in all the 05 major subjects. Marks obtained in these will contribute to the generation of the Term-1 Report Card. Questions will be based on the lessons taught in the online classes prior to the Quiz and would involve application of knowledge obtained and analysis of the same.

ASSIGNMENTS

Assignments are also being set in the 05 major subjects throughout the Term. Marks obtained in these will also contribute to the Term-1 performance. Subjective questions based on the lessons taught in the online classes will continue to be asked and these will also assess the ability of application of knowledge obtained and will involve the ability to analyse as well as apply the concepts to some extent.

PROJECTS

Projects, carrying 20 marks each, will be set for the 05 major subjects. These will have a connection with lessons taught in class. However, they will go beyond the study material given in text books. It will be a tool to assess the research and analytical skills of the pupils. Plagiarism in any form will lead to deduction of marks. Creativity, genuine investigation and attempt to apply information will prove rewarding. Marks awarded in Projects will also contribute to the final grade obtained in the Term-1 Report Card.

Contd....2.

HALF YEARLY EXAMINATION – 60% weightage

ORAL TESTS

Oral Tests will be held on a one to one basis, online, for the 05 major subjects, according to a schedule that will be published prior to the Half Yearly Examination. These tests will contribute 30 marks. Questions involving textual familiarity, application and higher order thinking skills will be asked to assess the learning outcome of individual students.

PROCTORED TESTS

Written papers of 40 marks each will be held for the 05 major subjects according to a schedule that will be published prior to the Half Yearly Examination. These will be held online and we will require the cooperation of the Parents to proctor them on behalf of the School. The Proctored Test will be conducted through the Assignment platform of MS Teams. The details of the duration and timing of the Test will be announced in due course of time. Pupils are strongly advised to create a PDF of the answer script and turn-in these through the Assignment platform ONLY. No other form of script sent will be accepted. It is important to note that question types will range from simple questions based on understanding to those which call upon the analytical ability of the pupil, as well as those which make them use their ability to interpret, give judgement and make decisions. A majority of the questions may be such which do not test memory. The corrected answer scripts will be returned to the students.

General Knowledge, Computer Studies & Lower Language:

For subjects like General Knowledge, Computer Studies and Lower Language, apart from the ongoing Quizzes and Assignments, pupils would be assessed through a 40 mark Test constituting multiple choice type questions during the Half Yearly Examination. The Test will be conducted through the Quiz platform of MS Teams and will be executed when Oral Test and Proctored Test of the other subjects like English, Vernacular, Mathematics, Science and Social Science are held. It may please be noted that there will be NO Oral Test / Parent Proctored Test in subjects like Lower Language, Computer Studies and General Knowledge.

IMPORTANT INFORMATION

Assignments, Quizzes, Projects and Half Yearly Question Papers will continue to be published in MS Teams of the relevant subjects. **Answer scripts are to be turned-in through Assignments in MS Teams within the due date / time.** Pupils are strongly advised not to upload their scripts in any drive and share the links.
