## **NOTICE : CLASSES IV & V**

Dear Parents,

We had informed you through our Circular No.14/P&G/2021-22 that the academic session, 2021-22 will have two Terms, and we will be holding Block Tests in both the terms for all the subjects. The Block Tests for the First Term were held in September, 2021. We will now be conducting the Final Term Block Tests in the month of February. These will commence on 7<sup>th</sup> February and will end on 18<sup>th</sup> February, 2022.

All the details of the Final Term pen and paper parent proctored Block Tests remain the same as those of the First Term Block Tests. A detailed notice specifying the guidelines for the same will be shared closer to the commencement of the Tests.

We would like to mention that the timetable for the Final Term Block Tests is a provisional one. In the event of the government's decision to reopen schools, we may hold these tests physically in School.

It is with your active cooperation in proctoring the First Term Block Tests, dear Parents, that we could conduct them so successfully. We hope you will extend your whole-hearted support in conducting the Final Term Block Tests as well.

We wish your ward the very best for the upcoming Block Tests.

Thank you.

Principal
