HEALTH DECLARATION FORM

Dear Parents,

You are required to submit a Health Declaration Form, prior to the day scheduled for your ward to attend school, on an ongoing basis. A fresh form will need to be submitted for each day that the pupil comes to School.

For example, if a pupil is scheduled to attend School on 28.02.2022, a link will be shared the previous day through the School App Skolaro containing the Health Declaration Form, which has to be filled in by parents for their wards, between 5:00 p.m. and 9:00 p.m. on 27.02.2022 to enable their children to attend School the next day. The form can be filled by logging in using the email IDs of the pupils under the domain "southpoint.edu.in" which has been provided to them by the School. No other email ID can be used for authentication. So, if any pupil has still not activated his/her Office 365 account and its email ID, he/she should do the same at the earliest. Please refer to our Circular No.02/P&G/2021-22 dated 01.04.2021 in this regard.

Once the form is filled in and submitted, automated mails will reach addressed to the parents on the same Email IDs, advising them whether or not to send their wards to School, based on their response. Any pupil who is advised not to attend School the next day based on the health declaration submitted, must not do so. A copy of the declaration will also automatically reach their teachers. Non-submission of the form would also mean that the pupil is not to attend the School. We expect that for the sake of safety of their own wards and all others attending school, parents will exercise complete honesty and diligence in filling the Form.

Fresh links will be provided for each day a pupil is expected to come to school, as per the schedule of classes which will be shared with them. We urge all to fill the form in the evening prior to their scheduled day of coming to school. In case of any clarification, please email to ithelpdesk.sps@southpoint.edu.in

Thank you.
