

SOUTH POINT SCHOOL

An ISO 45001 : 2018 Certified Institution

NOTICE : CLASSES I – V

Dear Parents

The overwhelming response in attendance of your wards for physical classes has been really encouraging. Therefore, we are happy to inform you that beginning from April 25, 2022, it has been decided to resume physical classes in a full-fledged manner thrice a week on Mondays, Tuesdays and Thursdays with regular school timings as was followed prior to the pandemic.

However, at present online classes will continue on Wednesdays and Fridays as per the routine shared in class.

We would like to remind you of the school timings for physical classes:

Class	Timing: Morning Session	Timing: Afternoon Session
I	7.00 am – 11.15 am	12.15 pm – 4.30 pm
II – V	7.00 am – 11.30 am	12.15 pm – 4.45 pm

All entry/exit gates, waiting areas and other strategic positions within the school premises will be manned to ensure smooth monitoring of all movement and activities. Hence we strongly discourage overcrowding of guardians near the school gates and in the courtyard.

School gates will be opened for entry 20 minutes before the commencement of classes. Dispersal will be class wise from the courtyard (Gate No. 2).

Entry for Morning Students:

Gate No. 1	Gate No. 2	Gate No. 4
All Bus Children	Guardian / Pool Car children of Classes I, II & III	Guardian / Pool Car children of Classes IV & V

Entry for Afternoon Students :

Gate No. 1	Gate No. 2
Bus Children of all classes, Guardian / Pool Car children of Classes III to V	Guardian / Pool Car children of Classes I & II

Kindly ensure that your wards arrive on time to School and are also collected on time after dispersal.

We hope, dear guardians that you will extend your full cooperation as always in the resumption of normal physical classes as the sooner we return to normalcy, the greater joy your wards will derive from their school experience.

Thank you.

Principal
