NOTICE : NURSERY & TRANSITION

Dear Parents,

The overwhelming response in attendance of your wards for physical classes has been really encouraging. Therefore, we are happy to inform you that it has been decided to resume physical classes in a full-fledged manner, twice a week, on Wednesdays and Fridays, with regular school timings, as was followed prior to the pandemic, from the week beginning April 25, 2022.

Your wards will continue to have online classes on Mondays, Tuesdays and Thursdays.

We would like to remind you of the earlier school timings:

| Class | Timing | |
|------------|--|---|
| | Morning Session | Afternoon Session |
| Nursery I | 9 am – 10.30 am (Till May 13, 2022) | 12.30 pm – 2.00 pm (Till May 13, 2022) |
| Nursery II | 9 am – 11.30 am | 12.30 pm – 3.00 pm |
| Transition | 8.45 am – 11.45 am | 12.20 pm – 3.20 pm |

It may be noted that the Nursery I timings after Summer Vacation will be as follows. Timings for other classes will remain the same.

| | | |
|--------------------|---|-------------------|
| 9.00 am – 11.15 am | – | Morning Session |
| 12.30 pm – 2.45 pm | – | Afternoon Session |

All entry/exit gates, waiting areas and other strategic positions within the school premises will be manned to ensure smooth monitoring of all movement and activities. Hence we strongly discourage overcrowding of guardians near the school gates and in the courtyard.

School gates will be opened for entry 20 minutes before the commencement of classes.

Entry for Morning Students:

| Gate No. 1 | Gate No. 2 | Gate No. 4 |
|------------------|--|--|
| All Bus Children | Guardian / Pool Car children of Transition | Guardian / Pool Car children of Nursery I & Nursery II |

Dispersal will be section-wise through Gate No. 4 for Nursery I and from the courtyard (Gate No. 2) for Nursery II and Transition.

Kindly ensure that your wards arrive on time to School and are also collected on time after dispersal.

We hope, dear guardians that you will extend your full cooperation as always, in the resumption of normal physical classes, as the sooner we return to normalcy, the greater joy your wards will derive from their school experience.
