An ISO 45001:2018 Certified Institution

NOTICE : NURSERY I & II and TRANSITION

Dear Parents,

In our eagerness to welcome our dear pupils back to School, perhaps we did not fully envisage the challenges we might face in starting physical classes simultaneously for Nursery I to Class V.

Since the little ones of Nursery I, Nursery II and Transition, attended the fully- functional school for the first time since their admission in this School, after being away from School for more than two years, they are still not habituated to the environment and are still unfamiliar with the school surroundings. Hence, it took a very long time for us today to manage the morning dispersal and afternoon arrival simultaneously, something that has been done seamlessly for the last so many years. We regret the inconvenience caused.

We realize we need a little more preparation to ensure timely entry and exit for all classes as the smaller children need a little more time to acclimatize themselves to physical classes. Therefore, classes for Nursery and Transition will remain suspended for some time and resume in a staggered manner as per the below table:

Class	Timings		Classes to be suspended on	Classes to resume on
	Morning session	Afternoon session		
Nursery I	9.00 am – 10.30 am	12.30 pm – 2.00 pm	June 28, 29 & 30, 2022	July 1, 2022
Nursery II	9.00 am – 11.00 am	12.30 pm – 2.30 pm	June 28 & 29, 2022	June 30, 2022
Transition	8.45 am – 11.30 am	12.20 pm – 3.05 pm	June 28, 2022	June 29, 2022

Please note the new timings till further notice.

Without your helping hand, dear parents we cannot conduct our activities smoothly. We request your kind cooperation and full support as always in this regard too.

Thank you

Principal
