

# SOUTH POINT SCHOOL

*An ISO 45001:2018 Certified Institution*

## **NOTICE : NURSERY & TRANSITION**

Dear Parents,

As you are aware that physical classes were discontinued from April 27 due to extreme heat conditions and the consequent Government notification.

We are happy to inform you that post the summer vacations, pupils will be attending physical classes regularly from June 15, 2022. Please note the school timings:

Class	Timing	
	Morning Session	Afternoon Session
Nursery I	9 am – 11.15 am	12.30 pm – 2.45 pm
Nursery II	9 am – 11.30 am	12.30 pm – 3.00 pm
Transition	8.45 am – 11.45 am	12.20 pm – 3.20 pm

All entry/exit gates, waiting areas and other strategic positions within the school premises will continue to be manned to ensure smooth monitoring of all movement and activities. We strongly discourage overcrowding of guardians near the school gates and in the courtyard.

School gates will be opened for entry 20 minutes before the commencement of classes. Kindly ensure that your wards reach School on time and are also collected on time after dispersal. All school buses will ply for those already enrolled.

Please note the entry points:

Gate No. 1	Gate No. 2	Gate No. 4
All Bus Children	Guardian / Pool Car children of Transition	Guardian / Pool Car children of Nursery I & Nursery II

Dispersal will be section-wise through Gate No 4. Please carry the duplicate ID card of your ward, prepared by you. We will be issuing a new ID card soon. In keeping with the Covid protocols, wearing of masks will continue to be mandatory. However, in case a student has a medical issue, permission may be sought on the basis of a doctor's certificate. A detailed timetable will be shared in class.

We hope, dear guardians that you will extend your full cooperation as always, in the resumption of normal physical classes, as the sooner we return to normalcy, the greater joy your wards will derive from their school experience.

07.06.2022
