## **NOTICE: Nursery I & II (Afternoon)**

Dear Parents / Guardian,

It has been noticed that our little ones of Nursery I and Nursery II are reaching school a lot before their stipulated entry time, resulting in overcrowding outside the gates. Since we cannot allow entry for the Afternoon session children till the dispersal of the Morning session is over, it becomes an unnecessarily long wait for them. **So you are requested not to bring your wards to school before 12.10 pm as their classes begin only at 12.30 pm.** However, all students must reach at least five minutes before the specified hour of attendance.

Thank you.

**Vice Principal**
