NOTICE : CLASSES I - V

Dear Parents,

As you are aware the School has been implementing a system of a four-day week of teaching-learning for Classes I – V since July 4, 2022 owing to the surge in the number of cases with Covid infection. Since the situation seems to have improved, and your wards have also settled down well in their physical classes, we have decided to resume the original five-day week routine for them, with effect from July 25, 2022.

We hope your children enjoy their school experience to the fullest.

Thank you for your constant support.
