## **NOTICE : NURSERY TO CLASS V**

Dear Parents,

We are always deeply concerned about the health and safety of our pupils. Related to this, we would like to remind you of a few things that you need to keep in mind.

- Some children carry very heavy school-bags. Kindly advise your wards to bring books only according to the routine.
- It has been noted that some children do not wear proper undergarments. Kindly ensure that they do so.
- Please make sure that your wards wear the jacket when they wear their Karate uniform.

Since cases of dengue and malaria are on the rise in the city, we hope that you are taking adequate precautions at home for the prevention of the same. We are taking all necessary steps at our end to keep the School mosquito-free.

Thank you.
