## **NOTICE : Classes II to V**

Dear Parents

We are pleased to inform you that, in an effort to nurture and develop interest in Arithmetic and Numbers from a very tender age, the SIP Academy will be organizing the All India Arithmetic Genius Contest, 2022 for the children of Classes II to V. This contest will provide a platform to participants from 1000 renowned schools across 23 states of India to showcase their mathematical prowess.

The contest will be held in 4 rounds and participation is free of cost. The details about the rounds are given below:

**Round 1:** This round will be held in School on September 16, 2022. Certificates will be given to the winners. All other participants will be given Participation Certificates and an invitation to a free workshop to improve their arithmetic skills.

**Round 2:** This round will be held at conveniently located SIP Academy centres for the top performers of Round 1. Detailed information regarding this will be sent to the participants, post Round 1. Certificates and medals will be awarded to the winners.

**Round 3:** The top 5 winners of Round 2, from each class, will participate in this round to represent the School in the State Level Finals. Certificates and prizes will be awarded to the winners.

**Round 4:** Winners of the State Finals will participate in this grand National Finale of Arithmetic Genius. Certificates and prizes will be awarded to the winners from each class.

No special preparation is required for participation in this contest as all four rounds will be based on basic mathematical ability.

Thank you

**Principal**
