NOTICE

Classes I to V

The Missionaries of Charity have made an appeal to South Point School to help in making Christmas a happy occasion for some under-privileged children in Kolkata. Willing pupils may bring gift packets containing old clothes, toys, soap bars or anything else they wish to give. Food items like biscuits, cakes, etc. should be packed separately. Packets will be collected from the classrooms on December 19 & 20, 2022.
